

Memorandum

Privileged and Confidential

To: Carl Hokanson
From: Frank G. Capece, Esq.
Date: August 8, 2016
Re: Solider Kneeling

Following up- enclosed is the "safe" version of a letter from you to the Board.

Key points of the memo are:

1. Blunts any concern regarding the North Carolina case.
2. Focuses the issue not on 1st Amendment but rather abuse of the liaison in that position.

Upon your review we can discuss. But I like you taking the first shot.
